

REGISTER IN GALACTICO.PL SYSTEM AND AVAIL OF THE INFRASTRUCTURE OF LOADING ELECTRIC VEHICLES ALL OVER THE COUNTRY AS WELL AS ABROAD

Joining the Wrocław System of Loading Electric Vehicles enables the use of all loading stations managed by Galactico.pl Operator. Once you obtain the proximity card you can avail of both the loading stations installed in Wrocław and other Polish cities, and the stations outside of the borders of our country.

The proximity card may be delivered to you directly to your house:

Register on Galactico.pl through the website www.galactico.pl

Acknowledge and accept Terms and Conditions

Enter the necessary data concerning the electric vehicle you use

Pay the registration fee which you will then use up when availing of the services provided by the Galactico.pl Operator

Enter your address for correspondence and you will receive the proximity card by post within 14 days
